

27 January 2017

The Chief Executive
All Regulated Entities

Dear Sir/Madam,

# OTC Derivatives Trade Repository of the HKMA

#### Training and Testing for the use of the electronic reporting system

Further to my letter of 8 April 2016 advising on the training and testing schedule of the over-the-counter (OTC) derivatives trade repository of the HKMA (HKTR) for the second half of 2016, I am writing to advise on the schedule for the first half of 2017.

You may be aware that the Securities and Futures Commission (SFC) and the HKMA had jointly announced on 15 July 2016 that the phase 2 mandatory reporting requirements under the OTC derivatives regime would take effect from 1 July 2017. As compared to the phase 1 mandatory reporting requirements which came into effect on 10 July 2015, the phase 2 mandatory reporting requirements will cover transactions in ALL 5 major asset classes of OTC derivatives products as well as reporting of valuation information.

Regulated entities subject to the mandatory reporting requirements (i.e. Authorized Institutions, Approved Money Brokers, Licensed Corporations and Central Counterparties operating in Hong Kong) are required to sign up for the reporting service of the HKTR and complete a scenario test and a product specific test (simulation test – part 1 and part 2) (including entities which intend to report via an agent) on or before 31 May 2017 before they will be accepted for reporting. For those regulated entities which had previously signed up for the reporting service and completed a scenario test for reporting under the Interim Reporting Requirements (applicable only to Licensed Banks) or phase 1 mandatory reporting requirements are also required to complete a product specific test (simulation test – part 2) **on or before 31 May 2017**, in order to be accepted by the HKTR for reporting additional OTC derivatives products under

the Phase 2 mandatory reporting requirements. The schedule and details for the training sessions and simulation tests of the HKTR in the first half of 2017 is set out in the enrolment forms attached to this letter.

For regulated entities intending to report through an agent, they must make sure that their agents will meet all technical requirements specified by the HKTR in time and they must test the trade submission process with their agents prior to reporting. A declaration form on the readiness of reporting via an agent is required to be filed with the HKTR before the agent will be accepted for reporting for an entity. Please also note that reporting via an agent by an Authorized Institution may constitute an outsourcing arrangement requiring prior approval of the HKMA. Authorized Institutions may check with their usual supervisory contacts at the HKMA on the approval arrangement.

If you have any enquiries, please contact the HKTR at (852) 8100 3115 or e-mail to <a href="https://hkma.gov.hk">hktr@hkma.gov.hk</a>.

Yours faithfully,

Stanley Chan

Head, Payment Systems Operation Division

Financial Infrastructure Department

# **Enrolment form for User Training of the HKTR Reporting Service**
